Barrels pork 2,500 3,000 1,000

9,000 6,500

One-half of said beef and pork must be delivered at each of the above-named yards, respectively, by the list day of April, 1858; and the remaining half by the list day of June, 1858, unless earlier deliverens should be required by the chief of this bureau. Payment to be made within thirty days after delivery.

Bidders must aspecify their prices separately and distinctly in separate officer for the beef and for the perk, and for each of the places of delivery; covering all expenses and all charges.

The beef must be from well-distincted cattle, slaughtered between the 1st day of November, 1857, and the lat day of January, 1858, and weighing not less than six hundred pounds, set weight, each. The

the firm, where a company offers, with the Christian names written in full, must be distinctly stated.

Under the joint resolution of Congress, approved 27th March, 1854, "all bids for supplies of provisions, ciothing, and small stores for the use of the navy, may be rejected at the option of the department, if made by one not known as a manufacturer of, or regular dealer in, the article proposed to be furnished, which fact, or the reverse, must be distinctly stated in the bids offered."

An agent of the department will furnish he address for each parcel, which is to be pasted on the box by the manufacturer without charge. The dies for embossing the postage stamps on the envelopes are to be executed in the best style, and they are to be provided, renewed, and kept in order at the expense of the contractor.

Bidders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the manufacture of the envelopes they propose to furnish.

the same, or any part of it, in control of the cont

its stipulations.

The number of envelopes issued to postmasters in the quarter ending March 31, 1857, is stated below: ing March 31, 1857, is stated below:

Proposals for Naval Supplies.

Nava Darakteers,
Bureau of Construction, Equipment, and Repairs,
May 23, 1867.

CEALED PROPOSALS to furnish may a supplies for
the facal year ending 30th June, 1858, will be received at this
Bureau until a o'clock, p. m., of the 22d June next. These proposals
must be endorant 'Proposals for Naval Supplies. Bureau of Construcfice, de., 'that they may be distinguished fractuler business letters.
The materials and articles embraced in the classes named are particularly described in printed achebitules, any of which will be furnished
to such as denire to offer, on application to the consenandants of the respecific yeards, or to the navy-agent nearest thereto, and those of all
the yards upon application to this bureau. This division into classes
being for the convenience of dealers in each, such portions will be furnished as are actually required for bids. The commandant and maysigent of each station will have a copy of the schedules of the other
yards, for examination only, from which it may be judged whether it
will be desirable to make application for them.

Offers must be made for the whole of a classe at any yard upon one
of the printed schedules, or in strict conformity therewith, or they will
not be considered.

All articles must be of the very best quality, conformable to sample,
size, &c., to be delivered in good order, and in suitable vessels and
packages, as the case may be, at the expense and rick of the contractor, and in all respects adject to the imapeting, measurement, count,
weight, &c., of the yard where received, and to the entire estifaction
of the commandant thereo.

Bidders are referred to the yards for samples, and a particular description of the articles; and, all other things being equal, prefereive
will be given to articles of American manufacture.

Every offer, as required by the law of 10th August, 1846, must be
accompanied by a written grantene, the form of which is herewith
given.

Bureate are referred to execute within the days after its pur

The undersigned, of , in the State of , and , of , in the State of , hereby guaranty that in case the foregoing bid of for any of the classes therein named be accepted, that he or they will, within ten days after the receipt of the contract at the post office named, or navy-agent designated, execute the contract for the same, with good and sufficient sureties; and in case said—shall fail to entor into contract as aforesaid, we guaranty to make good the difference between the offer of the said and that which may be accepted.

OFFICE OF THE WASHINGTON AQUEDUCT, Washington, March 5, 1867. PROPOSALS are invited for materials and work for the Washington aqueduct.
Proposals received up to 7th May will be opened at noon of that

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, it on pipes connected with the reservoirs, 12-inch ir on main, gate houses, bricks, and, trabble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such maxoidable delays due allowance will be made in the time of completion.

Fortions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be made in the time of completions by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation not holding out sufficiently, to decide when and what works shall be stopped until finds become available.

In case of the entire stoppage of any particular work for want of funds, the reserves the per cent. will be paid, fin the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the mouthly estimates of the engineer, reserving 10 per cent; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be scaled, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conducive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect tha

UNITED STATES NAVAL COURT OF INQUIREY.

Washington, February 26, 1857.

THE judge advocate gives notice, for the information of January 16, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a flat of such witnesses as they may desire to have summoned, specifying to which of the respective heads of "fitness for the naval service" mentioned in the act their testimony is to be applied respectively; and suggesting the delay, if any, which may be required; and in respect of what witnesses.

J. M. CARLELE, Judge Advocate.
